

financial condition nor any other material adverse change in the borrower, for any reason, during the period of time from the Agency's issuance of the Conditional Commitment to issuance of the Loan Note Guarantee regardless of the cause or causes of the change and whether or not the change or causes of the change were within the lender's or borrower's control. The lender must address any assumptions or reservations in the requirement and must address all adverse changes of the borrower, any parent, affiliate, or subsidiary of the borrower, and guarantors.

(n) None of the lender's officers, directors, stockholders, or other owners (except stockholders in an institution that has normal stockshare requirements for participation) has a substantial financial interest in the borrower and neither the borrower nor its officers, directors, stockholders, or other owners has a substantial financial interest in the lender. If the borrower is a member of the board of directors or an officer of a Farm Credit System (FCS) institution that is the lender, the lender will certify that an FCS institution on the next highest level will independently process the loan request and act as the lender's agent in servicing the account.

(o) The Loan Agreement includes all measures identified in the Agency's environmental impact analysis for this proposal (measures with which the borrower must comply) for the purpose of avoiding or reducing adverse environmental impacts of the proposal's construction or operation.

§§ 4279.182–4279.185 [Reserved]

§ 4279.186 Issuance of the guarantee.

(a) When loan closing plans are established, the lender will notify the Agency. Coincident with, or immediately after loan closing, the lender will provide the following to the Agency:

(1) Lender's certifications as required by § 4279.181.

(2) Executed Lender's Agreement.

(3) Form FmHA 1980–19, "Guaranteed Loan Closing Report," and appropriate guarantee fee.

(b) When the Agency is satisfied that all conditions for the guarantee have

been met, the Loan Note Guarantee and the following documents, as appropriate, will be issued:

(1) *Assignment Guarantee Agreement*. In the event the lender uses the single note option and assigns the guaranteed portion of the loan to a holder, the lender, holder, and the Agency will execute the Assignment Guarantee Agreement; and

(2) *Certificate of Incumbency*. If requested by the lender, the Agency will provide the lender with a certification on Form 4279–7, "Certificate of Incumbency and Signature (Business and Industry)," of the signature and title of the Agency official who signs the Loan Note Guarantee, Lender's Agreement, and Assignment Guarantee Agreement.

(c) The Agency may, at its discretion, request copies of loan documents for its file.

(d) There may be instances when not all of the working capital has been disbursed, and it appears practical to disburse the balance over a period of time. The State Director, after review of a disbursement plan, may amend the Conditional Commitment in accordance with the disbursement plan and issue the guarantee.

§ 4279.187 Refusal to execute Loan Note Guarantee.

If the Agency determines that it cannot execute the Loan Note Guarantee, the Agency will promptly inform the lender of the reasons and give the lender a reasonable period within which to satisfy the objections. If the lender requests additional time in writing and within the period allowed, the Agency may grant the request. If the lender satisfies the objections within the time allowed, the guarantee will be issued.
